Gits, 2<sup>nd</sup> April 1998  
O.Ref.: RRV/gcb/98/59

Dear Sirs,

Deceuninck Plastics Industries, Bruggesteeweg 164, 8830 Hooglede-Gits, confirms that the compounds made by their daughter company Deceuninck Compound are not stabilised with cadmium or barium cadmium.

We trust the above is to your approval and remain meanwhile,

Yours Faithfully,

Ria RAVEEL  
Technical Director
